We receive rent for rooms used by community services ophthalmology and CATS are part of the federation (STAHFED). We are also members of Alban Healthcare Primary Care Network. We have a Jade pharmacy with our building for which we receive a mix of rent and profitshare. I work out of hours sessions for Herts Urgent Care, typically 3 per month. I am a GP appraiser working for NHS England. I have carried out occasional pieces of work for different pharmaceutical companies over the years, teaching, training, presenting at meetings, hosting GP education meetings or advisory board work. This is usually through Soar Beyond, a third party company who have the pharma company as their client. I do not hold a salaried position or have any shares in any companies. Companies I have previously worked with (including in my time prior to being elected to the CCG board) are GSK, Pfizer, Astellas, Omniamed, Otsuka, Boehringer Nutricia, and MSD. I work 2 days a month for Thrive Tribe, who is a private provider of Healthy Lifestyle services such as weight management, smoking cessation and a "healthy hearts" program. They do not have any contracts in Hertfordshire at present. My role involves answering clinical queries re the suitability of clients referred into the service and also helping them develop their service including clinical pathways. I am one of the directors of Living Life Better Ltd, which is a registered company located in St Albans, providing a lifestyle medicine and wellbeing service based on a coaching model and using behavioural change tools. We work with network partners (such as nutritionists, counsellors, physios, personal trainers and business advisors) to provide services to individuals and organisations including companies, local authorities, education authorities and the NHS. We provide educational content (including talks, podcasts and videos) group and one to one sessions.
