<b>Recommendations/ Action Required by the Board</b>	The Board is asked to note progress made to date in the delivery of key milestones identified in the respective Locality plans since the last meeting.	
<b>Classification</b> <i>Is this report exempt from public disclosure? (ie. FOIA or DPA)</i>	No	
<b>Impact on Patients/Carers/Public</b>	The Locality Reports provide an update on progress made in each locality in addressing the priorities identified that were highlighted in 'A Plan on a Page'. The priorities identified provide evidence on how delivery of key milestones will impact on quality and patient care.	
<b>Engagement with Stakeholders/Patient/Public</b>	Engagement has taken place with patient representatives and member practices in each locality.	
<b>Links to Strategic Objectives</b>	<ol style="list-style-type: none"> <li>1. We will continually improve engagement with patients, carers, the public and member practices so that they contribute to and influence our work and activities.</li> <li>2. We will commission safe, high quality services that meet the needs of the population, reducing health inequalities and supporting local people to stay well and avoid ill health.</li> <li>3. We will work with health and social care partners to transform the delivery of care through the implementation of <i>Your Care, Your Future</i>, the strategic review in west Hertfordshire.</li> <li>4. We will ensure that there is a financially sustainable and affordable healthcare system in West Hertfordshire.</li> </ol>	
<b>Board Assurance Framework</b> <i>Does this report provide evidence of assurance for the Board Assurance Framework?</i>	Yes. The report contributes evidence of positive assurance for: <ul style="list-style-type: none"> <li>• Quality and patient safety indicators and sustained performance</li> <li>• Effective performance against outcomes.</li> </ul>
